On July 8, 2021, the grand jury issued a six-count indictment charging IAN ROGERS and JARROD COPELAND with conspiring to destroy a building by arson or explosive devices, weapons violations and obstruction of justice. The parties made their first appearance in District Court on August 18, 2021. Mr. ROGERS appeared pursuant to a writ issued February 18, 2021. At that time, the parties agreed to continue the matter for a status conference to October 27, 2021. On October 27, 2021, the parties agreed to continue the matter for another status conference to December 14, 2021. On December 14, 2021, the parties agreed to continue the matter for another status conference to February 2, 2022. On February 2, 2022 the parties agreed to continue the status conference to March 2, 2022. On March 2, 2022 the court moved the status conference to March 30, 2022. Since then, the government has provided additional discovery.

1 The parties now hereby request that the Court continue the status conference from March
2 30, 2022 to April 27, 2022 at 9:00 a.m. The continuance is requested because Colin Cooper is
3 unavailable on March 30, 2022, as he will be in an all day preliminary hearing in the matter of
4 People v. Dante Curley, case no. 20-CR-012339A in Alameda County Superior Court. The
5 People v. Dante Curley matter is an in custody, homicide case. The continuance will enable all
6 parties to be in a better position to discuss potential resolution.

7
8 For these reasons, and to allow for the effective preparation of counsel, the parties agree
9 that the ends of justice served by excluding the time from March 30, 2022 through April 27,
10 2022 from computation under the Speedy Trial Act outweigh the best interests of the public and
11 the defendant in a speedy trial. 18 U.S.C. § 3161(h)(7)(A) AND (h)(7)(B)(iv).

12 IT IS SO STIPULATED.

Defendants.)	

For the reasons set forth above, the Court hereby continues the status conference in the above-captioned matter from March 30, 2022 until April 27, 2022 at 9:00 a.m. Further, to allow for the continued production of discovery and the effective preparation of counsel, the Court finds that the ends of justice served by granting the continuance outweigh the interests of the public and the defendants, and thus the Court excludes that period of time from the running of the speedy trial clock under Rule 5.1 and 18. U.S.C. § 3161(b).

IT IS SO ORDERED.

DATED: March 17, 2022
